

# SKS Yearbook Committee

The Yearbook committee is open to any 8th grade student who is interested in helping with the organization of the school's yearbook. Interested students will take photos at school functions throughout the year and of various school clubs and teams. The students also upload the photos and input student names into the online yearbook before the March deadline. In June, students help with the distribution of the printed yearbooks.

The committee meets about once a month starting in October during lunch periods. Any 8th grader who is interested in joining or has any questions should contact Mrs. Ellen Ryan at [eryan@sksschool.org](mailto:eryan@sksschool.org).
