

## High School Application Reminders

- ❖ Register early for the high school open houses and entrance exams, they will fill up very quickly.
- ❖ We need **TWO** weeks to process each high school application. Please be sure to give the office the application in a timely manner.
- ❖ Each high school requires teacher recommendations. Please be sure to give these to the teachers well ahead of the deadline, as each recommendation takes time and consideration to complete.
- ❖ Please make note of any specifications on what teachers need to fill out the teacher recommendation forms.
- ❖ When you give a recommendation for a teacher to complete, a stamped, addressed envelope must accompany it.
- ❖ Make an appointment for your child to visit each school to which they are applying. We encourage you to make these visits during days when SKS is off from school or have a half day, so the students do not miss too much class time.
- ❖ St. Katharine's offers one high school visitation day, November 15<sup>th</sup>. All students are encouraged to set up a high school visit on this date. We realize that most students will need more than one day but this will cut down on the class interruptions.
- ❖ A request for student records must be signed by parents and sent to the SKS office by the admissions office of the particular high school to which your child is applying.

**We will each have close to 80 recommendations to do, please get them to us as soon as possible.**

**It would be easy to write the same generic comments on all the forms but we take the time and effort to give them all undivided attention and give the school an honest account of your child and their efforts in and out of the classroom.**

## Area High School Open House & Testing Dates 2017-2018

\*Please check the high school's web site or call to confirm these dates and times.  
Some of the dates were not finalized when we compiled this list.
