

## Bus Schedule for Noon Dismissals 2017-2018

Please note some school districts provide transportation home only on a limited number of noon dismissals. Please refer to the table below to see which days your district will provide transportation at dismissal.

For all days with no available bus, the parents shall arrange for alternate means of transportation. Please make sure your child has a note for their teacher with their change in dismissal procedure.

Great Valley does not provide busing on early dismissal days. Radnor has changed their policy and only offers 1 early dismissal day.
