

# Summer Tutoring at the Beach

- Are you at the beach for the summer or for an extended amount of time?
- Would you like to keep your child's math and/or reading skills sharp over the summer?
- Does your child need help with their summer reading?

If your answer to any of the above questions is yes, let me help you. I will be tutoring a limited number of students at the beach from June 25th through August 17th.

- Where: the Avalon Library
- Cost: \$70 per session (includes materials & travel)
- Limited number of spaces available for students going into kindergarten through sixth grade
