

Dear SKS Parents,

I encourage you to register your child for our Forensics team. I have had the privilege to work with many SKS students over the last years. They enjoyed the club and improved their public speaking skills through practice and competitions. These skills will serve them well with all future endeavors. We have finished several strong years with a 2nd place overall trophy at the Holy Ghost Invitational Competition. Many students received individual honors over the competitions attended over the years.

Practices will take place on Fridays from 3:15-4:30 PM in the classroom TBD. Additional meetings will take place as needed, especially before competitions in 2019. First, we will focus on finding their pieces for the categories in Forensics.

Please note that the Registration fee of \$200 should be submitted with the registration form. Make checks payable to Jeanne Turn. Please feel free to contact me at 484-924-9141 or e-mail jeanne4.8@AOL.com for more information about Forensics Club @ SKS. I look forward to working with your son or daughter and having another winning team in 2018! Our first competition will be the second Saturday in January at St. Joe's PREP. I will also be asking for parents to volunteer at meetings to learn how to be judges for competitions.

A little about me: a part time DRE, a retiree of PASD, Spring-ford MS teacher of reading and gifted; taught most grade levels in public, private, and Catholic school settings; and have worked as an administrator. I was a mock trial coach for years at PAHS. I have a Master's Degree in Education and PA certification in education, gifted, and principal K-12.

God bless!

Jeanne Turn, M. Ed.
