

Nature Camp

June 27-June 30

July 25-28

August 15-18

9:00-11:30am

Come and join Mr. Gavin and Mr. Heacock as they explore the many corners of nature and science. Each day we will look into a **STEM investigation of a new branch of nature: Geology, **Insects**, **PLANTS**, *Weather* and Matter, plus some exciting *field trips*.**

Each day will begin by dropping your child off at the front door, wearing clothes that you won't mind getting dirty and making sure they have a water bottle. Snacks will be provided. We will be doing both indoor and outdoor activities so sunscreen is a good idea.

Any questions, please do not hesitate to ask.

Mr. Gavin – mgavin@sksschool.org

Mr. Heacock – dxheacock@sksschool.org

Please fill out the form below and return it to the SKS office or email registration information to dxheacock@sksschool.org

Nature Camp
