Class Happenings

- Sight words for this coming week are "a" and "to".
- In ELA we will work on creating small CVC words using blocks and stampers. We will start a new Journey's unit that focuses on comprehension skills by listening to stories, recalling events from the story and then making a picture walk through drawing.
- In Math this week we will focus on moving shapes, shapes that roll, solid shapes and shapes that slide and stack.
- In Religion this week we will continue with Ch. 2 on how God created all light...the sun, moon and stars! We will go over to the church and see how the light shines through the beautiful stained glass windows!
- Our Science and Social Studies units will be on the plant life cycle and how to be a splendid/kind friend!
- Our letter person of the week will be Ms. A and her A'Choo!
- In Science we will plant our own seeds, do a fun apple science experiment and create colorful leaves with salt and food coloring!

NOTE'S FROM MISS E AND MRS. L
