

SUMMER ENRICHMENT and CREATIVE WRITING CAMP

DID YOU KNOW:

Reading just 4–5 books during the summer can prevent a decline in a child's Fall reading scores.

- **Summer reading** loss is cumulative, these children do not typically catch up in the Fall. Their peers are progressing with their skills while they are making up for the summer learning loss. By the end of 6th grade, children who lose reading skills during the summer are on average 2 years behind their peers.
- Teachers spend an average of 4–6 weeks re-teaching material that students have lost during the summer.

**Mrs. Orsatti would like to invite your child to
SKS Reading and Math Camp
Grades 1–6**

I will help your child complete their summer reading and math packets as well as keep their brains exercising for the upcoming school year.

Each session will be held at SKS in room 16. I can also meet with your child via zoom to help guide them with summer reading and math.

Writing Camp— August 14–17 ; August 21–24

Fun, engaging games that increase vocabulary and improve spelling

Puzzles and challenges that develop grammar and structure skills

Inspiring prompts and story creation lessons that spark imagination

Reading/Math summer enrichment camp dates: Afternoon times available as well if these times do not work with your child's schedule– Email Mrs.Orsatti – Jorsatti@sksschool.org to make arrangements.
