

READY, SET, KINDERGARTEN....

ENRICHMENT PROGRAM FOR INCOMING KINDERGARTENERS

All incoming Kindergarten students are welcome to join us for a week-long enrichment program. Come for one week or both! Our goal is to help your incoming Kindergartener get ready for the new school year by familiarizing them with SKS, meeting new classmates and learning what their school day will look like. Join us for a morning full of learning, crafts, exploring and fun!
